Choose Your Education

**Associate of Applied Science
Insurance Management**
(60 credit hours)

**Level 1 Certificate
Insurance Industry**
(15 credit hours)

Collin College's insurance certificate can open doors for you in the business world while laying the groundwork for continued study. All courses taken for the insurance management certificate also apply to the Associate of Applied Science (AAS) degree. An AAS degree in Insurance Management from Collin prepares you to enter the job market or pursue a bachelor's degree.

Program Features

- Nine industry-specific courses including Special Topics and Local Need courses tailored to the local area
- All classes are offered online through the iCollin Virtual Campus.
- Level 1 Certificate program knowledge and skills are helpful in preparing for the Associate in Insurance (AINS) professional designation.

About Collin College's Program
