

Bachelor of Science in Nursing (BSN)

RN-to-BSN Program

Join fellow registered nurses (RNs) in a supportive learning environment with a completion track that is flexible, affordable, fully online, and fast.

Career Earnings as a Registered Nurse

Average Starting Salary: \$75,300

Average Salary: \$99,900

Projected Job Growth: 23.8%

The average salary listed reflects the mean average wage for workers in this industry, while the average starting wage is tied to workers at the beginning of their careers. The earning potential for employees with certifications and associate of applied science degrees may exceed the average salary.

*Data for Collin County obtained from JobsEQ and O*Net*

Note: Average salary for occupation as of 2025 and job growth projected from 2025-2031.

Why complete a BSN at Collin College?

Convenient

- Courses can be taken online and at your own pace.

Affordable

- With the lowest in-district tuition in the state of Texas, the cost for Collin County residents is \$67 per credit hour.
- The RN-to-BSN program requires a total of 120 credit hours.
- RN: 54 hours of prerequisites, plus 36 hours of the RN degree, and 30 hours of the BSN program.

Flexible

- Courses can be taken as a part time or full time student, depending on your needs.

Advance ... your Degree ... your Career ... your Life

The Collin College RN-to-BSN Nursing program's mission is to educate baccalaureate-prepared professional nurses who are lifelong learners actively involved in service.

This program serves those who participate in the nursing community who promote the quality of life, and those who are members of an interdisciplinary health care team, using clinical judgement to provide safe, evidence-based patient-centered care.

Apply now to complete your BSN.

Collin College is an equal opportunity institution and provides educational and employment opportunities without discrimination on any basis protected by applicable law.
