SELECTIVE SERVICE STATEMENT

Student Information

Name: _____ CWID _____

Please Read the Statement Carefully Before Answering

Per Texas Education Code (TEC) 51.9095, a male student cannot receive a grant, scholarship, loan, exemption, waiver, or other financial assistance funded by state revenue unless they are registered with selected service or exempt from registering. In either case, a male student must confirm their registration or exempt status.

In certain cases; specifically, a male student who is currently exempt but that status may change, the student must sign a statement annually to verify that their current exempt status is still in effect, until such time as the student can register for selective service.

In accordance with Texas Education Code, Section 51.9095, male students must file a Selective Service Statement of Registration Status with their institution or other entity granting financial assistance. For more information about Selective Service, visit sss.gov.
