

COLLIN
COLLEGE

Collin College delivers essential academic and workforce education to more than 60,000 students in one of the fastest-growing regions of the country. The college district remains committed to adapting and expanding its offerings to meet the diverse needs of its student body while remaining fiscally responsible to its residents.

Dedicated to accessible education, Collin College serves students at 11 campuses, including the iCollin Virtual Campus. Collin College strives to cultivate educational opportunities for its local communities, encouraging inclusivity in higher education.

The college continues to develop programs in response to community needs including a new Bachelor of Applied Science (BAS) in Clinical Operations Management and several workforce programs designed to prepare students for high-wage, high-demand careers.

With affordable tuition, award-winning programs, state-of-the-art facilities, and your invaluable support, Collin College will fulfill its vision of delivering a brighter future for our students and communities.

TEXAS A&M ENGINEERING ACADEMY

The Texas A&M Engineering Academy gives students who are interested in engineering a great opportunity to simultaneously enroll at Collin College and Texas A&M University (TAMU). While attending Collin College during the first two years before transitioning to TAMU, students receive benefits such as:

- Saving up to **\$40,000** in tuition and fees
- Becoming a Texas A&M **Aggie** upon acceptance into the academy
- Transitioning to a **Texas A&M campus** after one or two years co-enrolled at Collin College and Texas A&M
- Taking **Collin College** math, science, and other core courses
- Taking engineering courses taught by **Texas A&M professors** at Collin College's Technical Campus located in Allen
- Choosing from **22 engineering majors** once at Texas A&M

For more information about the Texas A&M Engineering Academy at Collin College, visit www.collin.edu/tamuengineering.

COLLIN COLLEGE**Academic Alliance**

The Academic Alliance allows students to **co-enroll at Collin College** and choose from Texas State University or The University of Texas at Dallas to **earn an associate degree while seamlessly earning a bachelor's degree**. The Collin College Academic Alliance **university programs** will include:

- Business Analytics/Artificial Intelligence
- Computer Information Systems & Technology
 - Computer Science
- Education for Instructional Aides
 - Elementary Education
 - Electrical Engineering
 - Engineering Technology
- Exercise and Sports Science
 - Special Education

C O L L E G E

Students living in Collin County can maintain a **supportive environment** as they transition into the university experience while **saving thousands of dollars**. Depending on the eligible university degree selected, students can participate in a **variety of programs and activities** such as:

- Student services at Collin College and the university
- Online and in-person advising at the Collin College Technical Campus by a university liaison
 - Study abroad opportunities
 - Hundreds of student organizations
 - Library privileges
 - Student discounts to attend campus and athletic events
 - And much more

Learn more about the Academic Alliance at www.collin.edu/academics/alliance.
