Hazing Offense

Personal Hazing Offense

A person commits an offense if the person:

1. Engages in hazing;
2. Solicits, encourages, directs, aids, or attempts to aid another in engaging in hazing;
3. Recklessly permits hazing to occur; or
4. Has firsthand knowledge of the planning of a specific hazing incident involving a student at Collin College, or has firsthand knowledge that a specific hazing incident has occurred, and knowingly fails to report that knowledge in writing to the district dean of students or other appropriate Collin College official, a peace officer, or a law enforcement agency.

The offense of failing to report is a Class B misdemeanor. Any other offense under this section that does not cause serious bodily injury to another is a Class B misdemeanor. Any other offense under this section that causes serious bodily injury to another is a Class A misdemeanor. Any other offense under this section that causes the death of another is a state jail felony. Except if an offense causes the death of a student, in sentencing a person convicted of an offense under this section, the court may require the person to perform community service, subject to the same conditions imposed on a person placed on community supervision under the [Code of Criminal Procedure Chapter 42A](#), for an appropriate period of time in lieu of confinement in county jail or in lieu of a part of the time the person is sentenced to confinement in county jail.

Organization Hazing Offense

An organization commits an offense if the organization condones or encourages hazing, or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing.

An offense under this section is a misdemeanor punishable by a fine of not less than \$5,000 nor more than \$10,000; or, if the court finds that the offense caused personal injury, property damage, or other loss, a fine of not less than \$5,000 nor more than double the amount lost or expenses incurred because of the injury, damage, or loss.

Consent Not a Defense

It is not a defense to prosecution of an offense under this subchapter that the person against whom the hazing was directed consented to or acquiesced in the hazing activity.

Immunity from Prosecution or Civil Liability Available

In the prosecution of an offense under this subchapter, the court may grant immunity from prosecution for the offense to each person who is subpoenaed to testify for the prosecution and who does testify for the prosecution. Any person, including an entity organized to support an organization, who voluntarily reports a specific hazing incident involving a student at Collin College to the district dean of students or other appropriate Collin College

official, a peace officer, or a law enforcement agency is immune from civil or criminal liability that might otherwise be incurred or imposed as a result of the reported hazing incident if the person:

1. Reports the incident before being contacted by Collin College or a law enforcement agency concerning the incident or otherwise being included in Collin College's or a law enforcement agency's investigation of the incident; and
2. Cooperates in good faith throughout:
 - a. Any Collin College process regarding the incident, as determined by the district dean of students or other appropriate official of the institution designated by Collin College; or
 - b. Any law enforcement agency's investigation regarding the incident, as determined by the chief or other appropriate official of the law enforcement agency designated by the law enforcement agency.

Immunity from prosecution extends to participation in any judicial proceeding resulting from the report. A person is not immune from prosecution if the person:

1. Reports the person's own act of hazing; or
2. Reports an incident of hazing in bad faith or with malice.

Offenses in Addition to Other Penal Provisions

This subchapter does not affect or repeal any penal law of this state. This subchapter does not limit or affect the right of Collin College to enforce its own penalties against hazing.

Reporting by Medical Authorities

A doctor or other medical practitioner who treats a student who may have been subjected to hazing activities:

1. May report the suspected hazing activities to police or other law enforcement officials; and
2. Is immune from civil or other liability that might otherwise be imposed or incurred as a result of the report, unless the report is made in bad faith or with malice.

Venue

In this section, "prosecuting attorney" means a county attorney, district attorney, or criminal district attorney.

An offense under this subchapter may be prosecuted:

1. In any county in which the offense may be prosecuted under other law; or
2. If the required written consent of a prosecuting attorney is provided, in a county in which is located the Collin College campus at which a victim of the offense is enrolled.
