

I MADE A SOBI REPORT... Now What?

RECOGNIZE - RESPOND - REFER

CONCERN IDENTIFIED

Concerning behavior or circumstances are observed (e.g., emotional distress, academic decline, self-harm, basic needs issues).

SOBI REFERRAL SUBMITTED

Referral is submitted through the online Guardian Universal Reporting System.

INITIAL REVIEW & STUDENT NEEDS ARE ASSESSED

The SOBI Care Team reviews the reporter's concerns and determines the risk level and urgency. Any threat may require police intervention, crisis response, or a welfare check.

STUDENT OUTREACH & RESOURCE COORDINATION

A SOBI Care Team member reaches out to the student. Outreach typically comes from a mental health counselor. Appropriate campus and community resources are provided to the student.

REPORTER FOLLOW UP

The reporting party will receive a follow-up email from a SOBI Care Team member.
Privacy laws may limit what can be shared.

MONITOR & CONTINUED SUPPORT

The SOBI Care Team will continue to conduct check-ins, referrals, meetings, and collaborative interventions as needed.

CASE CLOSURE

The case is closed when the concerns are addressed or resolved.

Every report is taken seriously and reviewed by a SOBI Care Team member.
