Technical Campus APCAA Online Workshop: Effective Reflective Journaling

Tuesday, April 28, 2 p.m. - 3 p.m.

What do you think of when you think of writing in a journal? Self-expression is a key component of journaling, but journaling is especially effective if you journal regularly with a practical purpose. In this workshop, we will explore the importance of journaling and how you can use it in a methodical and practical manner to give you a better understanding of yourself, how to plan for your future, and live a self-fulfilling life. So I ask, “Journaling, anyone?”
